2005 marks the first year that the Big Taste Grill joins the Rendezvous!!! One of 3 grills that tours the country, this 65 foot big rig weighs over 54,000 lbs! The Big Taste Grill is a 45 foot "BBQ on wheels" and has the capacity to grill 750 bratwursts at a time or 2,500 per hour! There is a walkway that allows the volunteer grill chefs room to move and visitors a chance to take a peek at the nation's largest traveling grill! Bratwurst will be sold at the Arrowhead and 4th Street location and all profits will go toward purchasing new books and materials. **"Brats for Books"** is the county library's way of bringing awareness to the public arena for the need of new books and materials.

You can help support your local County Library Branch by purchasing a delicious bratwurst from the Big Taste Grill!

Please come and visit us at this once a year book sale event on the corner of 4th and Sierra Way or if you are craving for a freshly grilled bratwurst with all the trimmings, visit the Big Taste Grill at our Arrowhead and 4th location.

Remember, all profits help support your local County Library!
